

## Distributor USD Price List.

| Reference | Description                                                                                                                       | Price    |
|-----------|-----------------------------------------------------------------------------------------------------------------------------------|----------|
| 5610050   | PM5300 Series Low Flow Air/O2 Blender<br>DISS Inlets<br>1 x DISS Primary Outlet<br>1 x DISS Auxiliary Outlet<br>Ref: PM5300EN     | \$672.95 |
| 5610051   | PM5300 Series Low Flow Air/O2 Blender<br>NIST Inlets<br>1 x DISS Primary Outlet<br>1 x DISS Auxiliary Outlet<br>Ref: PM5300NISTAP | \$672.95 |
| 5620051   | Precision Medical Blender Wall Mount<br>Ref: 504776                                                                               | \$20.00  |
| 5620052   | Precision Medical Blender Pole Mount<br>Ref: 504778                                                                               | \$37.75  |
| 5620053   | Precision Medical Blender Rail Mount<br>Ref: 507267                                                                               | \$58.50  |
| 5620054   | Precision Medical Blender DIN Rail Clamp<br>Ref: 505976                                                                           | \$48.95  |
| 5620060   | Precision Medical Blender Condensation Trap<br>Ref: PM15-45                                                                       | \$46.75  |
| 5620065   | Primary Outlet Fitting Kit DISS<br>with label for Low Flow Blender<br>Ref: 505500                                                 | \$31.95  |
| 5620066   | Auxiliary Outlet Fitting Kit DISS<br>with label for Low Flow Blender<br>Ref: 505499                                               | \$42.95  |
| 5620080   | Flowmeter, 0 - 15 lpm with DISS Inlet<br>Brass body, Left side version<br>Ref: 1MFA1002AU-L                                       | \$34.75  |
| 5620081   | Flowmeter, 0 - 15 lpm with DISS inlet<br>Brass body. Right hand side<br>Ref: 1MFA1002AU-R                                         | \$34.75  |
| 5620082   | Flowmeter 0 - 15 lpm with DISS inlet<br>Brass body. Straight version<br>Ref: 1MFA1002AU-S                                         | \$34.75  |
| 5620083   | Flowmeter 0 - 15 lpm with DISS inlet<br>Aluminium body. Left side version<br>Ref: 8MFA1002AU-L                                    | \$26.95  |
| 5620084   | Flowmeter 0 - 15 lpm with DISS inlet<br>Aluminium body. Right side version<br>Ref: 8MFA1002AU-R                                   | \$26.95  |
| 5620085   | Flowmeter 0 - 15 lpm with DISS inlet<br>Aluminium body. Straight version<br>Ref: 8MFA1002AU-S                                     | \$26.95  |
| 5620100   | Oxygen Hose Assembly, DISS - DISS<br>Hose Colour: Green, Length 6ft<br>Ref: 0710/6ft/9120/0118                                    | \$52.50  |
| 5620101   | Air Hose Assembly, DISS - DISS<br>Hose Colour: Yellow, Length: 6ft<br>Ref: 0218/6ft/9121/0218                                     | \$52.50  |
| 5620110   | Oxygen Hose Assembly, NIST - NIST<br>Hose Colour: White, Length: 6ft<br>Ref 505780/6ft/9122/505774                                | \$52.50  |
| 5620111   | Air Hose Assembly, NIST - NIST<br>Hose Colour: Black with white stripe, Length: 6ft<br>Ref: 505775/6ft/9126/505775                | \$52.50  |
| 5620120   | Oxygen Hose Assembly, NIST - DIN<br>Hose Colour: White, Length: 6ft<br>Ref: 505780/6ft/9122/8505753                               | \$52.50  |
| 5620121   | Air Hose Assembly, NIST - DIN<br>Hose Colour: Black with White Stripe, Length: 6ft<br>Ref: 505775/6ft/9126/505761                 | \$52.50  |
