| <p>This inspection is for gas safety purpose only in accordance with the current Gas Safety (Installation and Use) Regulations. Chimney Systems/Flues were inspected visually and checked for satisfactory evacuation of products of combustion. A detailed inspection of the Flue integrity, construction and lining has not been carried out. This is not a guarantee of the reliability of the appliance.</p> <p>Appliances recorded: 3    Serviced: 2    Inspected Only: 3</p> <p>This safety record is issued by: Nicholas Hollings</p> <p>Date: 07/07/2017</p> <p>Received By: Helen.
