**Polite note** - Could you please ensure that your collections have a minimum of 20 cartridges >£0.01 (for toner cartridges) and 4 cartridges >0.01 (for postal return inkjet cartridges) before booking your free pick-up, and please do not send any cartridges that have no value (i.e. are not on our price list). Regretfully, rising environmental disposal costs for the processing of waste type products and increasing collections costs means that if you do send any nil value products, we may have to levy a service charge to your order to cover these costs. If you have any queries about this please do not hesitate to contact us. Thank you for your help.

In order for payment to be made, we must receive your VAT invoice or request for payment, quoting our purchase order number. The figure shown here is net of VAT, please add VAT if you are VAT registered. Thank you
