Hi Steve,

did you have time to look at this?

Carlisle keeps asking for release of this change.

I need to answer today to not affect the audit we have there next week.

Thanks and best regards,

Heidi

Hi Steve,

attached improvements for manufacturing your coiled O2 cable (your Project with Bernd):

Part number	Part
4050122002	Yellow Sensor Cable VG 0131203

Your short approval is much appreciated.

I checked all reports and in our opinion all changes are good and useful.

Let me know if you have questions.

Best regards,

Heidi
