Dear Repair Team

Another old RMA to be requested, no RMA received. Please see attached a copy of the original paperwork, I have also attached a fault report. Please also see attached the emails sent to request this RMA Box 932 a couple of times, 30th Aug 2023 with Margie Reed and again on 26th Feb 2025 with Cynar Magno, no one has ever given us a RMA for these. Sensors were within warranty when first requested.
