Hi Catrin

Personally, I feel we should book this, I guess it needs raising.

Hi Ryan,

I hope you and your team are keeping well and that the New Year has started positively.

I'm pleased to let you know that **Medica 2026** is now live and we are officially taking pre-launch bookings for the UK Pavilion.

Following a very successful 2025 event, I can confirm that 40% of last year's exhibitors have already rebooked for 2026. As you previously exhibited with us, I wanted to ensure you had early visibility of availability prior to the launch at the beginning of Feb. Please find attached the 2026 booking form for your review.

We will be launching our 2025 post show summary in early Feb which I will send over to you once available, in the meantime you might find our 2025 review video useful to refresh your memory of about the pavilion, our services/support and the companies we bring to Medica.

We'd love to have you join us again on the UK Pavilion, take a look over the attached and maybe we can jump on a call

I'll drop you a line in the next week or so to see if we can look at booking something in.

Best Wishes,

Jennifer Walshaw
